**THERE'S STILL TIME TO GIVE YOUR OPINION ON PROPOSED CHANGES TO 101 CORRIDOR IN LARKSPUR & CORTE MADERA**

In case you missed the June 20th presentation on the proposed Highway 101 modification plans, you can check out the various options still under consideration by going online to the County's website at <http://www.marintraffic.org> and scroll down to Programs & Projects, then choose Greenbrae Corridor Improvement Project and click on June 20th Presentation. You can also download the project's PDF file with graphics showing all the options. There is still time to send in your comments.

**NOTE THAT THE ONLY OPTION WITH DIRECT ACCESS FROM HIGHWAY 101 TO MADERA BOULEVARD IS SOUTHBOUND OPTION 'D'.**

**VOLUNTEERS NEEDED ON AUGUST 5th**

**\*\*\* Help Set Up \*\*\* Scoop Ice Cream \*\*\***

We're in good shape with plans for our great big, old-fashioned, community Ice Cream Social in Old Corte Madera Square on Sunday, August 5th, from 2 to 5 pm, which will be followed by the final concert of the summer series at Piccolo Pavilion, featuring the Swing Society band.

What we still need are volunteers to help with set up beginning at noon that day, where some guys with strong backs would be especially welcome for putting tables and chairs in place. Let Jana know if you or someone in your family can assist with setting up around noon.

We also need many helping hands to scoop ice cream into cones. Michael Lappert is generously donating the ice cream, and we'd like to have at least three scoopers at all times--a total of 18 volunteers, each covering a half-hour shift. Call Jan Shaw at 924-2054 or send e-mail to her at [joanneshaw123@comcast.net](mailto:joanneshaw123@comcast.net) to sign up for a half-hour shift.

We could also use some volunteers to work with Kitty Prosser in pouring root beer and lemonade. You can reach Kitty at 924-4329.

Most of all, come to celebrate, and bring your family and friends, too. Add to the spirit of the occasion by wearing something evocative of days gone by if you can, even if it's just a long skirt or a fancy hat. See you there!

**TAKE A LOOK AT THESE GREAT HATS!**

Faux flowers, tulle netting, ribbons, and feathers were stitched, pinned, and glued onto straw hats last week as twenty Club members created vintage-style hats to wear at the Club's 100th Anniversary Celebration on August 5th. Thanks to Dena Van Derveer, who rounded up the decorative materials, these members are all set. It's easy to do on your own, too, so get inspired and stop by the local crafts store for whatever's needed to decorate a hat of your own.
