

Dear Friends and Members--

CMWIC Bulletin – January 2009
Corte Madera Women's Improvement Club, Inc.
P.O. Box 486, Corte Madera CA 94976

For our upcoming Potluck Luncheon topic "**Finding Bargains**" that's coming up on **January 13**, we asked if any of you have cost-saving suggestions you'd be willing to share. We've had some great responses, including info about the best thrift shops, where to get the cheapest gas, finding lowest prices online, and more, along with a few questions, too. If you have ideas about how to save money in these two areas, can you come to the luncheon and tell us about them? People would like to know:

- How to save money on telephone plans?
- When is a reverse mortgage a good idea, and how is it done?
(This information could be useful to seniors and to those of us in the sandwich-generation who need to understand it so we can help our parents!)

Please RSVP to this message if you can come to the luncheon on January 13, and let us know if you have any questions or tips on finding bargains. Also join us to play cards (Onze) on Tuesday, January 6th if you're free. It's easy to learn while you play!

- Becky Reed, Dena Van Derveer, Robin Moller, Kathy Hartzell, Jana Haehl

February 4

- 10-11:30am -- **BRIDGE LESSON** (it's free--and open to all)

This workshop, led by Kimberly Powell, is back by popular demand. Those who attended last year left with cards more beautiful than they ever thought they could make (cards for any occasion, not necessarily valentines). Your personal creativity is sure to be inspired by the many samples and idea books that Kimberly provides.

Ideas of things to bring: Items to embellish the cards, such as: small dried wild flowers, small beads, small ribbons, rice papers, colored papers, tissue papers, antique maps, glitter pens and glitter, lace, trim, small feathers, strings, very small sea shells, old stamps ... anything small and beautiful!

Bring your own lunch, and we'll provide beverages.
