

POTLUCK LUNCHEON TUESDAY, FEBRUARY 10TH AT NOON PLUS AN UPDATE ON WHAT'S HAPPENING IN CORTE MADERA

It's been a year since our last 'Twin Cities Update' covering major projects around town. This Tuesday, you can find out what's up with Rec Center improvements, development of the WinCup site, expansion plans at The Village, sale of bonds for the new Twin Cities police station, and highway interchange corridor modifications. Bob Pendoley, Assistant Town Manager of Corte Madera is the Man in the Know who will share his firsthand knowledge and answer questions in our informal and friendly setting. These issues affect ALL of us in the Twin Cities, not just Corte Madera residents. Join us!

- If you can come and have not already responded, please RSVP to Becky Reed at 927-9462.
- Did you know? Men are welcome to join us for this and other community information potluck luncheons, as long as they bring a dish to share, just like everyone else! Spread the word!

● 11:00-2:00pm -- WORKSHOP -- "MENDING/SEWING CIRCLE" led by Dena VanDerveer. One of the ways to save money is to repair the clothes you have, whether putting on a button, mending a tear, stitching up a hem or otherwise altering a piece of clothing to make it new or individually "yours." And it's more fun to do this in a group and talk and share news while doing something useful. Bring your machine if you have a big project, or do some hand sewing, or even use the big tables to cut out something new. Need help? Dena is an expert.

- Bring items to work on, big or small; thread, needles, pins, scissors, measuring tape, other notions.
- Also bring your lunch, and we'll provide beverages.

Happy Valentine Day

Huge Indoor Yard Sale on Saturday, March 21

Start gathering up your donations -- household goods, dishes, kitchen tools, small appliances, linens, clothing, jewelry, books, games, collectibles, white elephants, etc. No huge items -- just anything that can fit in a van. This will be a true yard sale featuring a wide variety of donated items. All proceeds will go toward scholarships for high school girls who volunteer in the community. This year we have the Rec Center from noon the day before, so bring your items anytime on Friday afternoon or evening. Volunteers needed on the day of the sale, Saturday, March 21. Call Becky at 927-9462 if you can help.

They are conducting a study of a medication used for the treatment of urinary frequency, urgency, and urge incontinence (leakage associated with a strong desire to urinate.)
